Description

This unique and superbly well-kept 65C Marlow Explorer is this yachtman's 2nd Marlow Explorer and his third is currently under construction. The Marlow 65 provides you with the interior volume of a much larger yacht for extensive entertaining while still maintaining the ability to be owner operated by many. The current owner has had a part time Captain since delivery and it shows. With Marlow's proprietary VELOCIJET Strut Keels, classic elegance, and modern engineering "Tortuga" is ready for coastal cruising or extended blue water adventures. Her generous freezer space, water maker, dive compressor, 1810 gallon fuel tank, and shallow draft make her the perfect Bahamas boat.

Overview

This classic motor-yacht features a full walk around deck with protected Portuguese bridge. This is the safest design for cruising. High rails and good handholds make it quick and easy to move about when docking. The natural Teak decks are not only beautiful they also offer the best traction when wet and are much safer than typical non-skid decks.

The windows are tinted dark providing privacy and they help keep the strong sunlight out making the vessel easier to cool. The design creates more livable space than other style vessels.

The Marlow Explorer was built in a way that reduces weight to make her more efficient when going fast or slow. She has a unique keel and tunnel design providing a shallow draft and protected propellers. You will not find a finer vessel for cruising with your family.

Salon

Tortuga has a beautiful satin teak interior with Teak and Holly Floors throughout. Italian and Danish lighting illuminates the space. The starboard side of the salon has large comfortable U shaped settee that has ample storage beneath. Across from the settee in the aft corner is large Samsung TV hidden in a beautiful teak cabinet with an electric lift. Forward of the entertainment center on the port side you find two large chairs for comfortable seating. The Wet bar forward has a Subzero wine cooler, U-Line ice maker, sink, and liquor cabinet.

- Overhead center line teak hand rail
- Custom Teak desk and bookshelves in forward part of Salon
- Oversize Teak salon table with removable leaf
- Built in seating to starboard and 2 barrel chairs to Port
- Storage cabinets and drawers
- Denon Stereo system with flush mounted speakers
- Blueray player
- Full Size Sub Zero wine cooler
- U-Line Ice maker
- Teak and Holly sole
- Bar sink with lift up hatch
- Direct TV HD Receiver

Pilot House/Lower Helm

The Pilot house is another very comfortable area, complete with STIDD helm chair for the captain next to a gorgeous teak dinette with off white Ultraleather seating for guests. The overhead panel has electronics, breakers, NAIAD stabilizer controls, inverter/charger controls, tank tender and the vessel control center. The pilot house doors to port and starboard sides allows you access to the side decks and forward to the Portuguese bridge.

- Dual 17" Furuno Chart Plotters
- YACHT Controller
- SIMRAD AP2505 autopilot system
- 25KW and 6 KW Furuno Radars
- Twin ICOM M604 VHF Radios and hailer
- Multisea 2000 Naiad stabilizers control
- FLIR Nightvision camera
- Search light
- Furuno FCV582L color depth finder (2)
- Furuno RD30

- Multifunction Display
- Bow thruster controls
- Stern thruster controls
- Glendening single lever clutch and throttle controls
- Bennett trim tab controls
- ACR remote spotlight
- Tankwatch 4 Level Monitors (2)
- Fireboy engine shutdown/override
- Intercom telephone
- XM Radio

Galley

Moving forward brings you up 3 steps to the pilothouse where you will find the galley. If any of the crew get sea sick having the Galley up is the way to go. For many, being able to see out at the horizon is the key to not getting sick. The galley is well-equipped with top of the line appliances and plenty of storage for provisions and cook wares. It is U-shaped with beautiful Crema of Marfil counter tops creating a lovely setting for entertaining guests in the pilothouse, or communicating with people in the main salon.

- Dacor 4 burner cooktop smooth with sea rails/potholders
- Grohe faucet
- Dacor Oven below cooktop
- Kitchen Aid Disposal
- Teak and holly sole
- Subzero refrigerator/freezer (two drawers each)
- Fisher & Paykel drawer dishwasher
- MarineAir A/C control and air handler
- Sharp Microwave Carousel convection oven
- Three sets of custom-built galley drawers
- Franke double sink with decorative cutting board cover
- Exhaust blower
- Overhead dish lockers outboard

Master Stateroom

Tortuga's Master Stateroom is very large and features a King Size bed athwartships and a large head with ample counterspace and 2 well separated sinks. Her serene and peaceful lay out provides you with the relaxation that you deserve. The walk around island king berth has storage drawers under the berth in addition to the two dressers and three full-size closets providing plenty of storage space for extended travels. Aft of the suite and down a couple of steps, is the laundry area with washer and dryer behind louvered wood doors and several drawers for storage.

- King size berth with 5 storage drawers under bed
- En-suite head with stall shower and twin sinks

- 3 full height hanging lockers, cedar lined with lights
- Twin nightstands with storage and reading lamps
- Full length mirror inside of the stateroom door
- Chest of drawers and storage cabinet
- Teak and holly sole
- Whirlpool Washer and Dryer in laundry nook aft with ample storage
- A/C control and air handler for Chilled Water system
- Port-lights w/ screens
- Denon Audio system and Direct TV

Master Head

The head runs the full length of the stateroom and provides plenty of counter space and a very nice stall shower. There is also a large storage cabinet that is perfect for storing towels and bed sheets.
